The President, St Joseph's Football and Netball Club,  
Geelong.

Dear Todd,

On behalf of the Carmody Family I would like to express our sincere appreciation to the President, Committee Members, Sponsors and all Team Members of St, Josephs F & N Club.

Since the ' Michael Carmody Foundation ', was formed under the leadership of Michael's dear friend, Nick Maxwell in 2008 following his tragic death the support of St Joseph's F & N Club has been amazing.

On Saturday the 17th of June at the O.S. Adams centre we experienced an evening where the atmosphere and friendship was exceptional.

We remember how Michael enjoyed his football and how he always spoke so highly of the wonderful teammates, committee members and parents associated with the Club.

During 2017 the M.C Foundation will make a great difference to children from Nazareth P.S., St Joseph's College and Simonds College as proceeds are used to support needy Children with educational opportunities.

Congratulations Todd, and Good Luck for the remainder of the 2017 season.  
I hope to meet up again soon.

Sincerely,

Aileen, Jim,  
Marita, Anthony,  
Jacinta and Marcus.
